Executive Summary

Through a referendum in 2014, an Ethics Ordinance was established, creating the Tallahassee Independent Ethics Board. In December 2019, the City Commission voted to strengthen the ethics ordinance to give the Board greater authority and to uphold the highest ethical standards. The charter establishes an Ethics Office that is led by the Independent Ethics Board, a seven-member body. Staff for the Ethics Office includes an executive director, administrative specialist, and legal counsel. Through the Ethics Office, the Board oversees ethics training for every City official, appointee, employee, and advisory board member on an annual basis. The Board has subpoena power and investigates alleged violations of the Ethics Code. The Board relies on citizens, City employees, and City officials to report violations of the Ethics Code.
